

Ms. Warsaw - Summit High School US History: Video Permission Slip

Excerpts from the following videos **may** be shown during the course of the semester to reinforce course content. The movies below were chosen for their historically accurate portrayal of people and events that we examine in our course of study. **We will *not* watch all of these movies, and 99% of what is shown will only be *short segments*.** The ratings for these movies range from *G* to *R*, and also include many non-rated films. The films that are not rated are from educational resources such as *A & E Biography* or the *History Channel*. By signing the following video permission slip you are giving your son or daughter permission to watch these videos:
